Extended Warranty Protection

Product warranties can be inconvenient and cumbersome to use. Let's say You purchased a great gadget about a year ago, but it just stopped working, and You can't find Your sales receipt and warranty information. For all too common situations like these, Extended Warranty Protection can help.

Extended Warranty Protection provides You with valuable features that help You manage, use and extend the warranties for eligible items purchased on Your covered Account and/or rewards program associated with Your covered Account. Services include Warranty Registration and Extended Protection. You are eligible for this benefit if You are a cardholder of an eligible card issued in the United States and You purchase either a portion or the entire cost of the item using Your Account and/or rewards program associated with Your covered Account.

Here's how Warranty Registration works.

When You purchase an eligible item that carries a manufacturer's warranty, You can register Your purchase by calling **1-800-551-8472** or call collect **outside the U.S. at 1-303-967-1096**.

You can also register Your purchase online at **www.cardbenefitservices.com**.

The Benefit Administrator will tell You where to send Your item's sales receipt and warranty information, so they can be kept on file should You need them.

If You choose **not** to register Your item, be sure to keep Your monthly billing statement reflecting the purchase, the itemized sales receipt, the original manufacturer's written U.S. warranty and any additional warranty in a safe place. These documents will be required to verify Your claim.

Here's how Extended Protection works.

Your warranty coverage can be doubled up to one (1) additional year on eligible warranties of three (3) years or less. For example, a manufacturer's warranty of three (3) months would be provided with an additional three (3) months of coverage for a combined total of six (6) months of coverage, and a warranty for six (6) months would be provided with an additional six (6) months of coverage for a combined total of twelve (12) months of coverage. However, if the manufacturer's warranty is for three (3) years, it would only be extended one (1) additional year for a combined total of four (4) years of coverage.

This benefit is limited to no more than the original price of the purchased item (as shown on Your credit card receipt), less shipping and handling fees, up to a maximum of ten thousand dollars (\$10,000.00) per claim, and fifty thousand dollars (\$50,000.00) per cardholder.

The benefit covers purchases made both inside and outside the U.S. The eligible item must have a valid original manufacturer's U.S. repair warranty of three (3) years or less, U.S. store-purchased dealer warranty, or a U.S. assembler warranty.

The Benefit Administrator will request preliminary claim information, direct You to the appropriate repair facility, and send You the claim form. Gift recipients of eligible items are also covered, but they must provide all the documents needed to substantiate their claim.

If You received or purchased a service contract or an extended warranty when You purchased Your item, this benefit will be supplemental to, and in excess of, that coverage.
